

## 4 Principles of Loving Your Spouse

Principle 1 - Your spouse is first and foremost in your life - no-one or nothing is a higher priority to you than the happiness and well-being of your spouse

Principle 2 - Be humble and meek and leave judgement to the Lord

Principle 3 - Know your spouse - past, present and future

Principle 4 - Recognize, admire and appreciate your spouse's gifts, talents and the good things she/he is and does. Express gratitude to and for your spouse continually
